## RAG PIPELINE

#### Requirements of the Chatbot

- Direct Answer
- Source of the Answer
- Further Links

#### Initial Approach

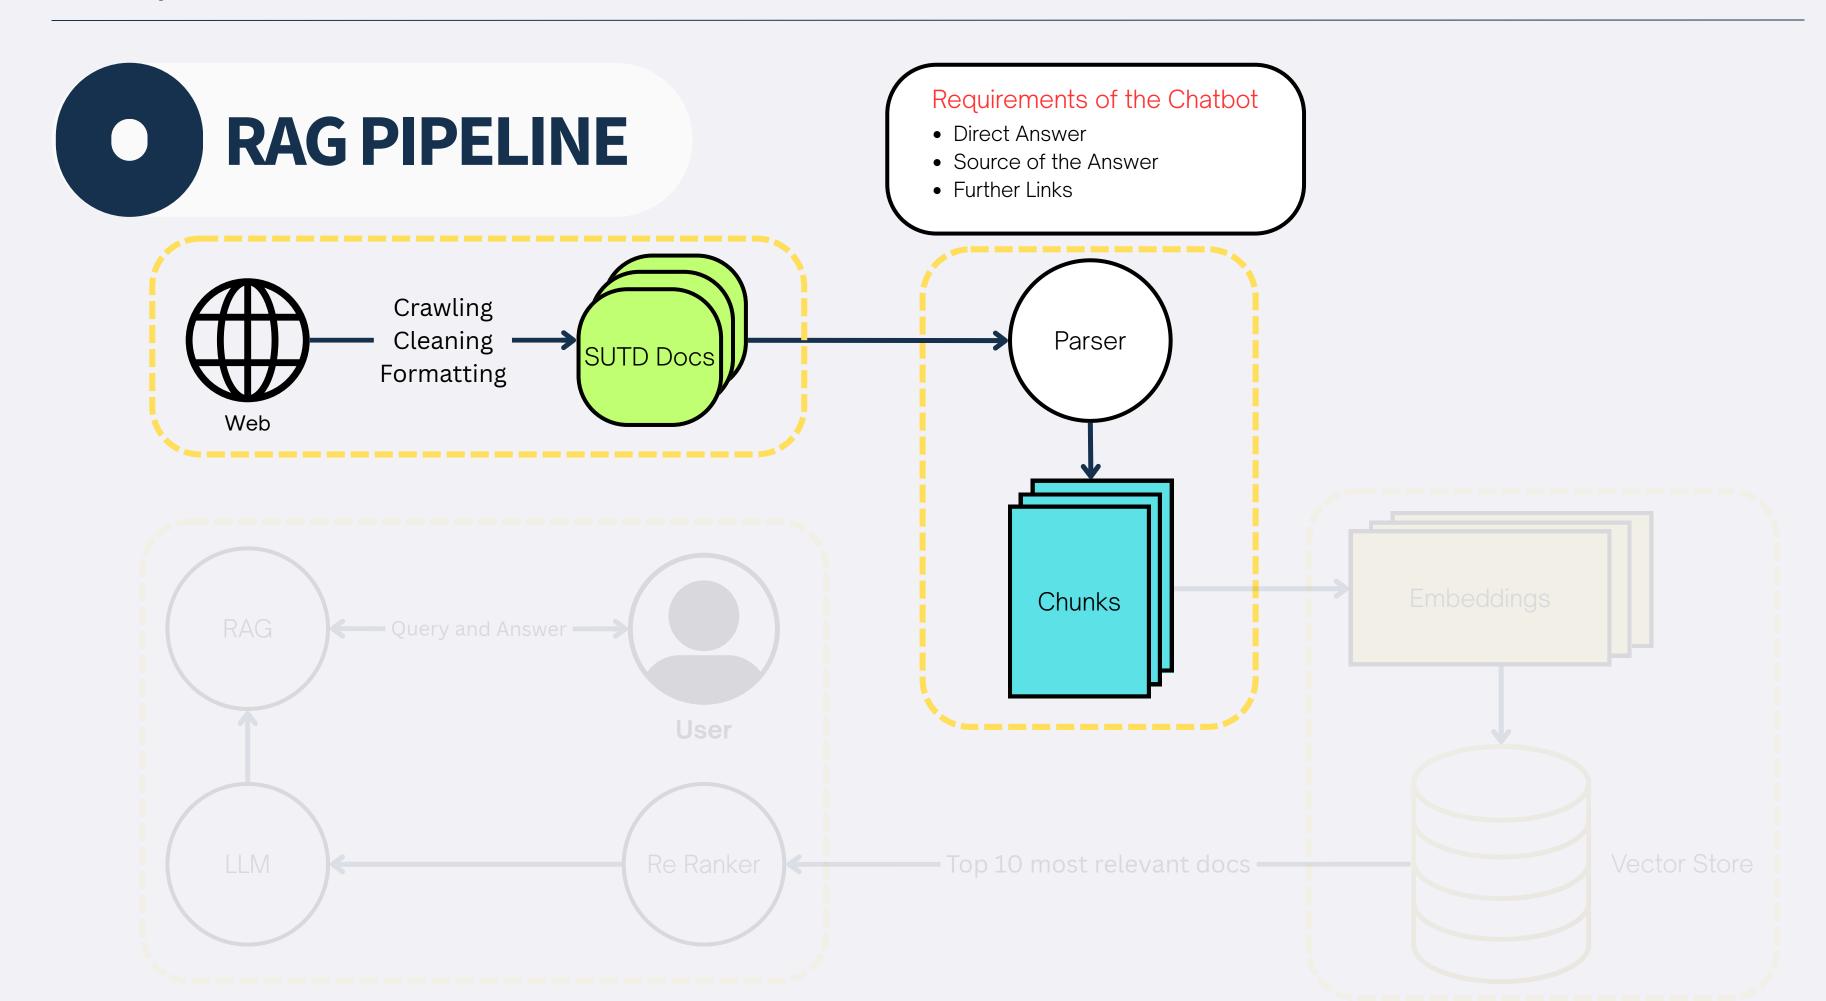

Tried saving SUTD pages as PDFs

Change to LangChain RecursiveWebLoader

Crawled pages with JavaScript rendering

Target only SUTD Site

Focus Solely on SUTD Website

#### One Chunk per page

Large Chunks that exceeds context window

#### **Document-based Chunking**

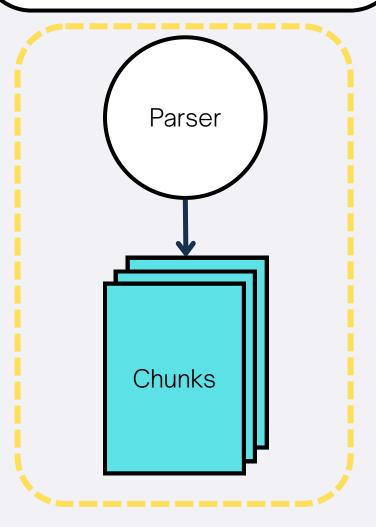

Hierarchical chunking using markdown headers

#### Graph-Based URL Tree

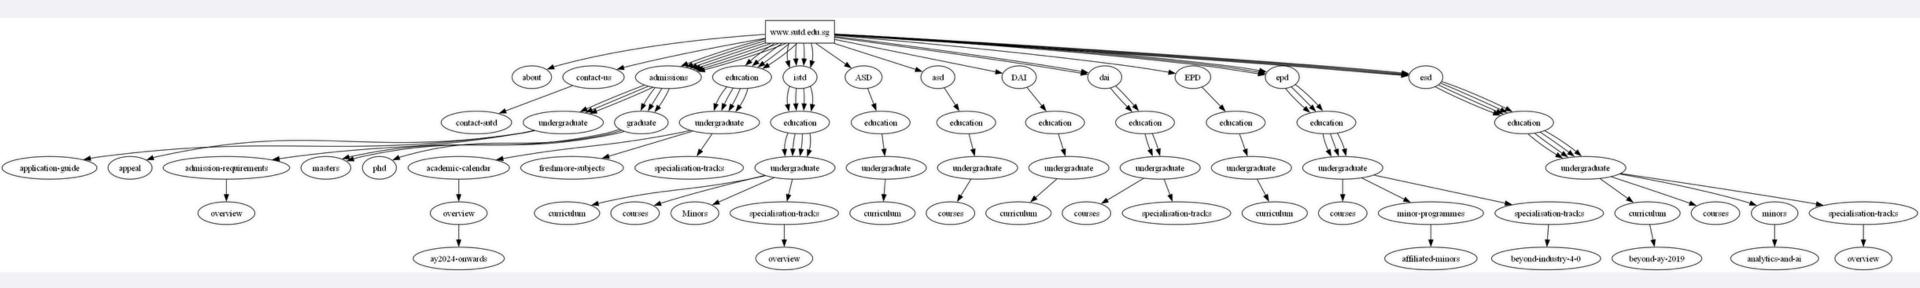

combining parent-child sections with similar topics

#### Requirements of the Chatbot
